By default, the printout is set to "Game Final".

You may print the scoresheet at the end of the 1st or 2nd Periods.

During a single game you may print:

- Pregame Rosters
- Starting Lineups
- 1st. Period Summary
- 2nd Period Summary
- Game Final.

Any or all of these printouts may be uploaded to the RinkWriter Scoreboard.

Print all of them with the same PDF name.

Upload each of them to the RinkWriter Scoreboard by opening the RinkWriter website's Upload a Scoresheet option.

Each upload replaces the previous upload, however, as a website user, you may have to refresh the scoresheet for the latest version.
