- SOG/Saves
- Quality Chances/Face-offs
- Overtime Setup

Entering "Quality Chances" and "Face-off" is optional and they are entered between periods.

Tabulating Quality Chances and Face-offs.

- Tabulate "Quality Chances" and "Face-offs Won" on the "Game Worksheet".
- Have someone in the penalty bench area help with tabulating them.
- Enter them into the computer between periods.
- Entering Quality Chances will set all defaults to the next period.
- A Faceoff win is awarded to the team gaining first possession of the puck after the draw by the centers.
- There is no clear definition of a Quality Chance. It merely means that a team has had a good chance to score a goal.
- It is also helpful to have someone help with tabulating "Shots on Goal" during each period.
- Shots on Goal are entered in the computer between periods.
