

The “Scoresheets” Folder

“Print/Save” scoresheets into a “Scoresheets” folder on your desktop.
After the first time, your PDF writer will automatically save your scoresheets into the “Scoresheets” folder.

Print **to** the Scoresheets folder.

Upload scoresheets **from** the “Scoresheets” folder.

When you upload scoresheets to the RinkWriter Scoreboard, upload them from the “Scoresheets” folder. After the first time, your web browser will automatically open to the “Scoresheets” folder.

You may also print paper copies from the “Scoresheets” folder.

The “Scoresheet” folder has to be created on the desktop by the scorekeeper.
