Add/Edit Home Player

Select the actual “Official Game Rosters” for both teams.

- The members of the “Team Rosters” will be seeded.
 - Select a **goaltender** for each team in the “**Game Starters**” textbox.
 - Select **two defensemen** for each team in the “**Game Starters**” textbox.
 - Select **two forwards and a center** for each team in the “**Game Starters**” textbox.
 - Select up to **fourteen** “**Alternates**” for each team in the “**Game Alternates**” textbox.
 - The “Official Game Rosters” are required for entering Goals and Penalties.

The Starting and Alternate goaltenders are seeded into the Shots on Goal and Saves window.
